PRESIDENT OBAMA,

SIR, I would like to bring a matter to your attention, if possible. SIR, your office is as high as I can go in the U.S. Government. I have tried to get help from several different agencies on matters of Handcuffed Abuse. I am currently in the custody of the U.S. Marshal Service in Las Vegas, Nevada, for crimes I committed out of desperation and too much liquor. I know I will have to go to prison. But the Marshals and another private prison (CORRECTIONS CORPORATION OF AMERICA, 10 BURTON HILLS BLVD, NASHVILLE, TN) do not have the right to place me in chains and cause injury (physical) and Handcuffed Abuse in their actions and decisions.

SIR, I AM A QUADRAPLEGIC - paralyzed from the waist down and PARTIAL Left ARM is paralyzed from a spinal injury that happened

For weeks ago at a CCA - Private Prison at Phoenix Nevada. I was housed at the CCA facility by the US Marshals on June 25, 2011. THEN I WAS JUST A paraplegic-wheelchair confined. THE CCA facility is not set up for paraplegics our people with my type of disability. Since I have been at CCA I have had several falls that have caused physical injuries. Wagon knot of beds, living quarters, showers and bunks have caused several injuries. My latest is a fall that damaged my spine (Disk Compression), paralyzing my left arm. I am currently unable to take care of myself. THE MARSHALS know of this and do nothing to help me. X-Rays were taken of the spinal injury. CCA HAS NOT provided any other medical treatment for my spinal injury.

I was housed in a handicapped cell at the CCA - facility, but on the orders of the Warden (Ms. Collins) and Asst. Warden (Mr. Ibrahim) I was forced out of the Handicapped cell into a 94 man dormitory on September 13, 2014. ON September 24, 2014 I was forced to use a NOB handicapped toilet because the Handicapped toilet was damaged. I fell causing the injury to my back and Left arm.

Since then I have a assortment of falls and injuries. On October 7, 2014 I was showering and my rear or bottom was cut open by a damaged shower seat. I have been bleeding daily since October 7, 2014. CCA refuses to replace the damaged seat, so I have to use the damaged shower seat daily. My cuts are ripped open daily. CCA gives me band-aids to stop the blood, that is all no other medical treatment. I would call that criminal abuse. I have no help in the dormitory, except from a few other inmates, CCA does nothing to help me. My current injuries are Right Shoulder (Torn Rotator Cup), no medical treatment but x-rays, numerous cuts and scrapes on my legs from falls, no medical treatments, outside of Band-aids which I can not put or apply with only one arm. I have tried to get the marshals to move me. They refuse, they say there is no other place to lock me up. I have been attacked by other inmates, I am unable to defend myself with one arm. Other inmates basically protect me in the dormitories. Currently there are two empty handicapped cells open, the one I was kicked out of by (Mr. Collins and T. Brown), I am forced to live in dangerous dormitories by CCA officials, this is abuse, (criminal).

On December 20, I went to court, the marshals put me into
 a new man-capped Holding Cell. I told the marshals I would
 need help to get onto the toilet because of only one good
 arm. I guess they did not believe me, I had to try to get
 from my wheelchair to the toilet, I fell, cutting my right leg
 and my bottom again. I tried to get the marshals attention,
 no help. There were cameras, but still no help. 1/2 hour later
 they came into the cell and found me sitting in a pool of blood,
 they put me back in my wheelchair and pulled up my pants,
 no medical treatment. They took me to court. I told
 in the court, I told the Judge (Jenna Fox Dorsy) about
 what happened, she ordered the marshals to do something,
 I was put back into the same Bloody Cell, no treatment.
 I was sent back to CCA, bleeding. CCA provided no
 medical care just Band-aids. Sir, I am just a
 regular John Doe, but still a citizen of the U.S., that
 may not mean much anymore. That is fine I
 like to go home. but abuse and negligence and
 injuries by abusive people because they do not
 know my better. Sir I just request for pain to
 stop. Sir I know my United States is gone, but
 why all the abuse why destroy life or take life.
 I am going to die. I have to many injuries and
 more abuse to come from WHY?
 CCA and Marshals.
